**JANZ CORPORATION**  
 MEDICAL EQUIPMENT, SERVICES AND STAFFING

- The ONLY protective ostomy system designed and built by an SDVOSB
- **Saves money: Never needs replacing**
- A decade of customer feedback shows that despite repetitive, heavy lifting, users do not develop hernias.
- Holds the barrier seal in place, preventing leaks.
  - Restores dignity and quality of life.
  - Reduces skin irritations caused by frequent barrier changes.
- The ONLY durable ostomy belt with a 2 year warranty on materials and workmanship.
  - High quality, durable materials used in manufacture: Webbing, aluminum, titanium, durable buckles.
- The ONLY ostomy belt that won't stretch out of shape or cut in.
- As strong after 5 years as on day one.
  - Protected by U.S Patents
- Strong, flexible material protects the stoma from seatbelts, belts, and any direct impact. Reduces injuries.
  - Customers include weight lifters, active-duty military, firefighters, front-line police officers
  - Sports include: ice hockey, dirt-bike racing, wrestling, Tae Kwon Do/martial arts, race car driving, skiing, swimming, skydiving, football, rugby.
- Customers can go anywhere and do anything with Ostomy Armor.
- Outlasts, outperforms all other brands.
  - Discrete, conceals under clothing.
- Our system includes **Waste Wicks for leaks, Emergency Kits, Shower Armor and Armored Bag Faces**
- **Dual Armor for two stomas.**
