# RESTORE QUALITY OF LIFE!

"I am just as active as before my surgery. This gives me the security and confidence to tackle whatever comes my way." - William R.

"I am experiencing an almost normal life now. I can leave the house and live my life without fear of blowouts and leaks." - Tim N.

LINE OF

# OSTOMY PROTECTION

PROTECTION

## TITANIUM MAX

Superior protection for rigorous activities & jobs. Police, Fire, EMS, & X-Treme Sports.

## HEAVY DUTY

Everyday protection from everyday hazards - seat belts, jumping dogs, at work or play!

## DUAL ARMOR

Living with 2 stomas? Two movable, single plate units and fully customizable.

DUAL STOMAS

LEAK CONTROL

## EMERGENCY KITS

## WASTE WICKS

CONTROL LEAKS. CONTROL LIFE. Both Waste Wicks and E-Kits are essential components of leak control. They work in conjunction together for optimal performance. Works with all belts.
